

ACKNOWLEDGEMENT

A research work owes its success from commencement to completion, to the people in love with researchers at various stages. Let us in this page express our gratitude to all those who helped us in various stage of this study. We are grateful to our Guide **Ms. Ankita** for the help provided in completion of the project, which was assigned to us. Without her friendly help and guidance, it was difficult to develop this project.

Last but not least, we pay our sincere thanks and gratitude to all the Staff Members of **INSTITUTE OF INFORMATION TECHNOLOGY AND MANAGEMENT**, for their support and for making our training valuable and fruitful.
